What is Stealing the Mind?

If you've never attended a *Stealing the Mind Bible Conference*, you're in for a treat! Imagine studying God's Word, in-depth, with some of the best and brightest Bible teachers in America. The speakers use awesome Power Point visuals to help make their "steel-on-steel" defenses on tough Biblical topics.

Tour the rebuilt Noah's Ark & Creation Museum

This conference weekend is one incredible deal! The schedule has the days open to tour the largest timber-framed structure in the world, almost two football fields long! Built to Biblical dimensions, after putting in two of every kind of animal, food and water for a year, there was enough xroom left over to add some 150 interactive displays showing the SCIENTIFIC EVIDENCES that prove the accuracy of the Bible! Your conference ticket is good for **FREE** admission for two days to both the Ark & Creation Museum!

Concurrent to each of the nightly *Stealing* presentations will be apologetic youth sessions at the Marriott hotel.

So if you love the Lord, love your Bible and love to learn, this is the place to be! Invest a weekend and you'll reap rewards for a lifetime!
