Mount Moriah

God's Special Place on Earth

Approximately 4000 years ago, God directed Abraham to journey to a very specific place, on a mountain called Moriah, to offer his son Isaac as a sacrifice.

Abraham followed in complete obedience, but God halted the sacrifice of Isaac and provided a ram in his place (Gen. 22:1-12). God's sacrificial provision prompted Abraham to give a special name to that place—YHWH-jireh—or "The Lord Will Provide."

It is there that the nation of Israel was conceived (Gen. 22:13-18). And today, that very same location is possibly the most revered, controversial, and volatile place on earth.

It is known today as the Temple Mount, in Jerusalem (pictured above). Because it is God's designated place as the only location where sacrifices can be made, the first and second Jewish Temples were located there, and it is the only place where the third one can be built. The closest proximity the Jews have today to the former Temples, and more specifically the Holy of Holies, is the Western Wall of the Temple Mount. So they are drawn to this "Wailing Wall," believing that it is the closest they can

come to the "Divine Presence" until their Temple is one day rebuilt.

Over 500,000 ultra-orthodox Jews living in Israel believe the Old Testament Law is still in effect today and try to live their lives accordingly. As such, reading Leviticus 17:11 must be very uncomfortable to them because it says, in no uncertain terms, that there is but one remedy for sin . . . the shedding of blood! Since they obviously reject the fact that Jesus died as their blood sacrifice, there is but one answer for this—they must rebuild their Temple!

One of the most interesting places to visit today in Jerusalem is the *Temple Institute*. There the Jews are planning for the Temple to be rebuilt and are making all the implements necessary to go back to animal sacrifices. Room after room is filled with Temple necessities including golden vessels, priestly garments, an Altar of Incense, a six foot golden Menorah, a Table of the Showbread and even the silver trumpets blown by the Levites daily in the Temple.

But as God would allow it, there is a problem, and no small one. A Muslim shrine, the Dome of the Rock, completed during the Jewish dispersion in 691AD, is situated on Mount Moriah, right where most people assume the Jews need to build their Temple, making for a very sensitive political situation.

The Bible says the Temple will be rebuilt in the future. Before the Second Coming, Daniel 9:27 says the Jews will be back in their homeland doing what is almost unthinkable in today's world . . . they will be sacrificing animals again on The Temple Mount on Mount Moriah in Jerusalem.

Most Evangelical Bible prophecy experts believe that God allowed the Arabs to build the gold-plated Muslim shrine "Dome of the Rock" in order to keep the Jews from prematurely returning to sacrifices before God's timetable was ready (see picture of Dome, page 12). But at the proper time, the theory is that God will allow the Dome of the Rock to be destroyed, paving the way for the Jews to rebuild their Temple and return to sacrifices on Mount Moriah. This would purportedly take place shortly after the Rapture of the Church Christians.

But is the destruction of the Dome of the Rock really the key to rebuilding the Temple? And how would that play out, given the staggering influence of the one billion Muslims in the world?

God can certainly do anything He wants, regardless of opposition, but there is an interesting theory that the Muslim Dome may not need to be destroyed in order for the Jewish Temple to be built. According to Revelation 11:2, the two witnesses measure out where the Jewish Temple will be built and John, under the inspiration of the Holy Spirit, adds an interesting statement:

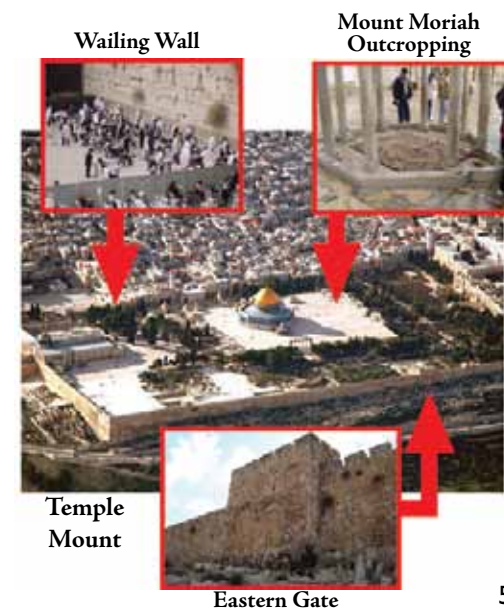

"And leave out the court which is outside the temple, and do not measure it, for it has been given to the nations"

The Temple Mount area covers over 40 acres, but the Holy of Holies in the Temple itself must be built in the exact place, somewhere on that 40 acres, where it was located in the two prior Temples. As you can imagine, Jews and other archeologists have tried repeatedly to ascertain that exact location, using excavations and even ground penetrating radar technology. But their efforts are blocked by the Muslims, who violently oppose them.

However, an alternate theory has developed that would possibly pin point the location of the original Temple just north of the Dome of Rock.

The so called "Northern theory" is given credibility in that, according to *Josephus*, the Jews came up out of the Kidron Valley, through the Eastern Gate and directly into the Temple's "Gate Beautiful." Today, when we walk around on the Temple Mount, we can easily see that the Eastern

Prison Ministry

"Thank you for the part Compass has played in the Prison Ministry."

"The awesome speakers and subjects are exactly what the inmates need to hear!"

"Our Sunday services here at the prison have doubled in size since we've been showing your videos."

Behind the scenes at Compass

At *Compass*, we invest money every day into a lot of things that few people hear about. Did you know there is an African Bible school that uses complimentary *Steeling the Mind* DVDs as teaching lectures every week?! Or did you know that several prisons show *Compass* DVDs on Sundays? And scores of small groups and Sunday school classes are weekly showing a *Compass* DVD and discussing it.

On the internet, more and more people are signing up for our provocative free daily *Good Morning Lord* Bible study that goes out to thousands worldwide. And since *Compass* started with our first *Steeling the Mind* conference in 1993, we've given away thousands of *Steeling Bible Conference* tickets to pastors, students, etc., as scholarships. We find it particularly pleasing to give free Bible study tapes/DVDs to anyone who asks but can't afford them.

We're grateful God gives us the opportunity to get solid Bible teaching into a Christian world that seems steeped in apostasy. And we could never do what we do without those who support us by attending a conference, purchasing a DVD or going on one of our Bible study mission trips to Israel. We even have a small, faithful group of people who donate from time to time. PTL! Only in the next life will you understand what an impact your support has had on so many.

There is a real cost associated with all these activities, but we strive very hard to make sure that our ministry is never driven by money. At the same time, stewardship is mandated and our financial needs are very real. So, to both encourage people to get the word out and help *Compass* have a more stable financial footing, we've designed a program that we believe honors God in both areas. It spreads the Word, gives you great Bible studies for our lowest price, motivates and reminds you that we live in a world of lost souls, and helps *Compass* with a base of support that lends stability to our ministry.

Pray about becoming a *Compass "Pointe!"*

As we get close to the end of the Church Age and God's Holy Spirit being removed (Rapture) from earth, now more than ever we want to get the word out about Jesus' offer of salvation and the Bible being 100% trustworthy for eternal truths. We want you to partner with us so we can extend our reach.

Eph. 6:19 *Pray on my behalf, that utterance may be given to me in the opening of my mouth, to make known with boldness the mystery of the gospel,*

Each month, for a *Compass Pointe*:

1 We'll send you two DVDs to give away. One you'll receive is called *The Bible's Big Picture*. It's a remarkable DVD that covers the entire Bible in 30 minutes—Adam to the New Heaven and Earth. It covers the past, present and future, including Adam's sin, the flood, Israel, the cross, the Church Age, the future tribulation period, the anti-christ, Armageddon, and the millennial reign of Jesus from Jerusalem. The Bible says that God's word is written on the heart of every person so the desire is built in to know about God. And in this day of instant grits, instant gratification and "give it to me NOW," the concept of a DVD with the "whole Bible in 30 minutes" is appealing. Anyone can do 30 minutes!

The other DVD we'll send you each month will rotate among our stand-up-and-yell arsenal of awesome *Steeling* DVDs, like *The Big Bang & the Bible*, or Frank Peretti's *The Chair*. Something fun and/or interesting, and most of all, scripturally sound. All you do is ask the Lord to open a window of opportunity and pass them out.

2 When you're witnessing to someone, and you want us to mail them *The Bible's Big Picture*, all you do is call or email us with the address and we'll send it right out. As many and as often as you give us mailing addresses! You pay nothing, we even pay the postage!

3 For any of our other over 200 incredible *Steeling the Mind* titles, as a *Compass Pointe*, you pay only half price—\$9.95 each, no limit or minimum.

4 Anytime you purchase *Steeling the Mind Bible Conference* tickets, you get them half price. As many as you want or need.

5 And if God makes it possible for you to join us on an awesome Israel trip, you'll receive a \$100 discount.

The idea is that, each month, we want to make it easy for you to, "do the work of an evangelist!" (2Tim. 4:5). As a *Compass Pointe*, you plant the seed and we'll water the ground. And your commitment is a low \$20 a month, billed to your credit card on a month to month basis, or paid by check. Easy to cancel anytime, by e-mail or phone. The two DVDs are a \$40 value, not to mention unlimited gifts of *The Bible's Big Picture* to anyone, any time. And all your future DVD purchases are half price! Awesome!

We'll be your resource . . . you'll be the *Pointe!* Time may be short so we look forward to working with you!

Continued from page 5.

Gate doesn't line up with the Dome of the Rock. But it DOES line up with an outcropping of Mount Moriah rock. Could this be the place Abraham offered Isaac and the location of the first two Jewish Temples? There's plenty of room around this outcropping to build a new Temple, and the two witnesses could easily command to build the new Jewish Temple on the Temple Mount without touching the Dome of the Rock.

The significance of this is that it's possible that during the Tribulation, the Jewish Temple could be built on the Temple Mount, and around it other non-Jewish buildings could exist. The world leader (future Antichrist) who engineers a peace treaty between Israel and a 10 nation alliance could demand a truce allowing for both structures to exist. Even possibly a third Christian structure south of the Dome.

The coexistence of these places on the Temple Mount would be considered an abomination by Orthodox Jews, but that in itself would be consistent with the agonizing time of the Tribulation, or the 70th Week of Daniel. And if Elijah were to show up at the beginning of the Tribulation and say "The Temple goes here," the Orthodox Jews wouldn't argue with a guy that they've been waiting some 3000 years to show up!

But regardless of where the third Temple is situated, a time is coming, after the Tribulation, when the Bible says another fourth Temple will be built. We can be certain that that Temple will stand alone, on Mount Moriah, because that is the place where "God will provide." From that Temple, Jesus Christ will rule for 1000 years, and no one will share His glory!

Back ^{TO} The Garden

Understanding who God intended you to be as a woman.

When God instituted marriage in the Garden of Eden, everything was perfect. Just like the rest of God's universe, His marriage model was intricately planned

down to the last detail. Man loved woman and woman loved man . . . 24/7.

But because marriage was so important to God, Satan immediately sought to destroy the perfect union. Today, Satan, that crafty ol' demon angel, wants you to believe the damage

is irreparable. He'll whisper in your ear, "you're a dirty rotten sinner, this is what you deserve." But, as always, he leaves out more important verses. Like, "I can do all things through Christ." And "all things" includes recovering the "order" God intended us to have in our marriages.

On the heels of the 100% Woman article that we published in the Fall 2008 *Compass Communique*, Susie presented material at a women's seminar entitled,

Back to the Garden.

This 45-minute presentation proved to be quite the eye-opener. She shows how getting back to God's original design for marriage can transform your marriage—regardless of what state it's in! And this powerful "life key" is not just

about you—it can impact your children and grandchildren for generations to come. To learn how a woman can be wise to Satan's subtle, and not so subtle, marriage deceptions, order our DVD, *Back to the Garden*. As always, if you can't afford it, we'll send it for a donation of any amount.

Witness Wear

Following the success of our popular Empty Tomb pendant, we've designed a cross to depict what would have been used in Jesus' day.

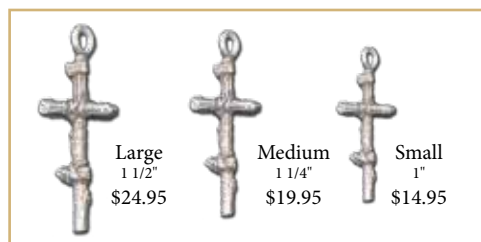

Almost all cross jewelry worn today bears little resemblance to the rough, wooden Roman crosses used in Jesus' time. When the Romans crucified a common criminal, they used old scraps of wood, not carved beams with smooth planes. A footrest was always used to nail the feet, and a sign was nailed above the head listing the charges for conviction.

Earrings
\$29.95

So we designed a cross more along the lines of what the Romans would have used in Jesus' day. It's a more authentic reminder of what Jesus was crucified on—old

pieces of wood. When you wear this cross—which is a stark contrast to smooth crosses worn today—you will undoubtedly find exciting opportunities to witness!
