Why Iran WILL Have Nukes

And use them against Israel!

Iran has been in the news a lot over the last few years, most of it dealing with the United States trying to stop Iran's nuclear development program. But Israel's not buying it.

A recent poll of Israelis by the Tel Aviv University and Israel Democracy Institute asked: "In light of the U.S. behavior toward Iran, will President Obama fulfill his promise to prevent Iran's development of nuclear weapons?"

An astonishing 67% of Israelis don't believe Obama. (No telling what percentage of the American population thinks Obama lies!)

When asked who was best equipped for assessing the danger Iran poses to the free world, Israel's Prime Minister Netanyahu or Western leaders, Netanyahu polled 77%.

66% of the Israelis think that the U.S.'s handling of the Syrian issue projects weakness.

And most enlightening, when asked about the chances that the talks between Israel and the Palestinians (pushed by the United States), 81% thought the chances were low.

Clearly, the Israelis don't trust the United States to protect their interest. We are supposed to be their ally. But in reality, we're getting close to the fulfillment of this verse:

"... all nations against Jerusalem." Zech. 14:2

There will come a time when every nation in the world is against Israel, even the United States. I used to always assume that it was something that happens post-Rapture ... but if the Lord tarries, who knows!

It is common knowledge that Israel has nuclear weapons. I have personally seen the nuclear facility in Israel. Israel doesn't publicly admit it, but they have the big bomb.

The Bible says Iran WILL succeed in their nuclear aspirations and eventually be part of several nations who launch nuclear equipped missiles at Israel in the last days.

Ezekiel 37 is the famous chapter of the regathering of Israel the second time to their homeland. Described as a valley of dry bones that come together, grow tendons

and walk, Ezekiel predicted the Jews regathering in their homeland from around the world. Interestingly, the Bible predicts they will have *"an exceeding great army."* (Ezk 37:10)

Ezekiel also said all of Israel will return the land

God gave them, not just Judah. All twelve tribes.

"and I will make them one nation in the land ... they will no longer be two nations, and they will no longer be divided into two kingdoms." Ezek. 37:22

In addition, Revelation 7:5-8 says that out of those Jews returning to Israel in the last days are 12,000 men from EACH of the twelve Israeli tribes.

That should put to rest anyone promoting that the United States or Europe contains the 10 lost tribes. And it certainly stabs the Jehovah Witnesses in the heart.

I'm guessing that modern DNA tests will eventually be used in Israel to determine who are the Levitical Priests, since we know Israel will also go back to animal sacrifices during the first half of the tribulation (Dan. 9:27).

Great **NEW** presentations from **STEELING DENVER** *Prophecy*

WOW, WHAT A DAY!

In Denver, we gathered the best and brightest Bible Prophecy teachers in America to walk through His future plans for this earth. It was eye-opening to say the least!! 700 people from all over the U.S. attended live and another 1500+ watched the live simulcast in their homes or churches. Speaker after speaker dug deeply into scriptures regarding the future of the United States and planet earth. The good news is that these awesome presentations are available as DVDs or as “download and watch.” Great to pass around—**order them today and witness to friends and family tomorrow!**

A Mind-Bending Walk Through Revelation 12

Andy Woods

Andy takes us on a walk through one of the most action-packed chapters in the entire Bible. Israel, the Messiah, Satan’s crash to earth, Jesus in the Tribulation and Israel’s worst day in the history of the earth are all covered.

The Judgment Seat of Christ

Paul Van Noy

If you think you’re going to have to watch a video of your life and wince at all your life’s sin, you’re wrong! Paul scripturally outlines what JSC is and isn’t! Outstanding!

Why Jesus is Premillennial

David Hocking

One of the biggest hoaxes in the history of the Church Age is the blasphemy called A-millennial teaching. Dave uses scores of verses to expose the error in Dave’s straight-to-the-point way! Outstanding!

Middle East Flames

Jack Kelley

This is a great study of where we are and where we’re headed in the Middle East—which in turn tells us how close we are to the Rapture and the end of the Church Age!

Daniel 2: Understanding God’s Foundational Prophecy

J.B. Hixson

Enjoy a great solid study of the statue in Daniel 2, one of the clearest of all Bible prophecies. Learn the identity of the toes and their implication for those of us alive today!

Who is Mystery Spiritual Babylon?

Mike Gendron

The Bible says that in the Tribulation, all the world will be under a one-world church—so how the heck will the Arabs and the Christians get under the same roof? Mike explains.

The True Goal of Islam & Shari’ah Law in the U.S.

Shahram Hadian

A Christian pastor and former Muslim, Shahram’s heart is to awaken America and the church to the true agenda of Islam as a theo-political ideology focused on establishing oppressive Islamic law (Shari’ah) in every nation. He demonstrates how Shari’ah has already infiltrated many of our governmental laws, policies and agencies and even our churches.

Juggling, Fibonacci, Intelligent Design & Salvation

Cooper Dauer

At age 19, Cooper is a rising name in Biblical apologetics and his even though his presentation is targeted to youth, the steeling audience was captivated by his juggling and solving the Rubik’s Cube while discussing God’s “Intelligent Design.” He tops it off with the salvation message so think about getting this presentation into the hands of your kids & grandkids!

The Church of Confusion

Frank Peretti

Frank looks closely at the scriptural outline for a local church given to us by Paul in the Epistles. What are we doing well and where have we strayed off course? Are we fulfilling Bible prophecy by “tickling of ears” with our post-modern culture and marketing? Excellent!

Continued from page 1.

Following Ezekiel's bold prediction of a second regathering that has come true only in the last 100 years or so, Chapters 38 and 39 predict a major invasion from a group of nations north of Israel.

For years, prompted by a scripture reference note in the Scofield Bible published in 1909, pre-millennial Bible scholars have long asserted that Gog and/or Magog were linked to Russia. But more recent scholarship has cast credible doubt on that theory, even though Russia and Iran are in the news today working together.¹

Regardless of who Gog turns out to be, what is not up for argument is whether or not Iran is one of the invading nations of Israel.

Persia, Ethiopia, and Put with them, all of them with shield and helmet; Ezek. 38:5

In 1935, Persia changed its name to "Iran," the historical name used by its native people.² Persia shows up first in the Bible in 2 Chronicles 36:20-23, and when Ezekiel gave his prophecy, Persia was the country that is today called Iran.

So Iran will be part of this invading army, which is defeated by Israel. But here is the interesting part. The clean-up of the battle will last seven months as they have to send people into the battlefield to "cleanse" it.

"For seven months the house of Israel will be burying them in order to cleanse the land." Ezek 39:12

Cleanse it? It gets even more interesting when you read that after they spend seven years cleansing the land, they then make another sweep of the land looking for any "bones" they missed the first time. And they don't touch the bones, but instead set a marker next to where they're found so they can bury them later.

"At the end of seven months they will make a search. As those who pass through the land pass through and anyone sees a man's bone, then he will set up a marker by it until the buriers have buried it . . ." Ezek. 39:14-15

That obviously smacks of some kind of nuclear war contamination. And this may also tie into Zechariah's prophecy that sounds like a person who melted in a nuclear exchange.

World Government in Bible Prophecy

Andy Woods, TX

The Bible tells us where we're headed in the last days . . . into a one-world government. But who will run it? What is its purpose? How will it affect Christians living on the earth prior to Rapture? A great study on a timely topic!

Islam's Allah vs. Jehovah God

Shahram Hadian, WA

Chrislam is being pushed by many well-meaning Bible teachers today. But is it scriptural? What is the real purpose behind it? Where will this eventually lead? Shahram, former candidate for Governor of Washington, exposes the lie and how to fight it.

The Incredible Effects of Rapture

Paul Van Noy, ID

A great study of what happens to Christians and non-Christians at the Rapture. What will Believers feel? Where will we go? What will we do? What happens to the non-Believers who are left on the earth? What is the "Lie?" And he'll top it off with five 100% irrefutable reasons it WILL happen before the Tribulation!

The 70 Weeks of Daniel

J.B. Hixson, IL

Based on Daniel 9:24-27, this is one of two foundational Bible prophecies you MUST correctly understand to properly understand the future. It covers the entire time from 483 BC through the Tribulation. It promises Israel will go back to blood sacrifices in Israel and the peace treaty that will set it all in motion.

The U.S. Constitution and the Bible

Jenna Ellis, CO

Watching secular news you would think God was never a part of this country's foundation. But the truth is, our Constitution is full of scriptural references. God, the seven-day Creation week, Jesus and a host of moral laws are directly linked in our Constitution. A great study of America's foundations.

The Future of Money

Tom Cloud, GA

Regardless of whether it's by design, pride or stupidity, our financial system is teetering on disaster. At risk is a full collapse. What does the Bible say about money? What does the future hold? Plus an update on tangible assets—are they ready to continue their breath-taking ascension prior to the coming new money?

" . . . their flesh will rot while they stand on their feet, and their eyes will rot in their sockets, and their tongue will rot in their mouth." Zech. 14:12

And the most amazing part of all of this is that it was written over 2500 years ago!

So today, Israel is back in their land, Iran is their enemy and a nuclear war is in the future. But before that war described in Ezekiel 38 and 39, God will remove His Spirit from the earth, along with all those who have His Spirit in their heart.

What a day that will be when millions of Christians disappear into thin air saved from the horrific seven year Tribulation.

Bible prophecy is so relevant today, and God gave it to COMFORT us as the last days wind down.

"Therefore comfort one another with these words."
1Th. 4:18

Yet many churches are turning or have turned away from teaching Bible prophecy. Most of the so called mega-churches ignore some or all of prophetic scripture. Which means they are avoiding about 25% of the Bible!

But by studying Bible prophecy we gain wonderful peace knowing that God is fully in control. He raises up and discards leaders for His own purposes. Everything that is happening today is part of His plan . . . and in His plan, all things work together for good for Believers. (Rom. 8:28)

We just finished an incredible Bible prophecy conference in Denver. There were nine stand-up-and-yell presentations by some of the top Bible teachers in the nation.

Some of the sessions were on foundational Bible prophecies from which all other prophecies rest. Some were presentations on closer examinations of intricate verses. But all gave us comfort that God is in control and Jesus is coming back soon to redeem His planet.

The audio and video recordings of that conference are available to download and watch, or to have physical DVDs shipped to you, see page 7 for details.
