

COMPASS COMMUNIQUE

Defending the accuracy of the Bible

Ready for the “Mark of the Beast?”

I enjoy reading old Bible commentaries, written prior to the 20th century, in regards to Rev 13:16-17. Imagine not knowing anything about computers and trying to figure out what the Bible meant by this verse:

“And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand, or on their forehead, and he provides that no one should be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name.” Rev. 13:16-17

Most of the old commentaries avoided the verse altogether, and those that did comment were laughable. One suggested that every bank would have a G-man standing at the door of the bank and he would give a nod-of-the-head signal to the teller to approve, or not approve, a banking transaction—based on a list the G-man was holding!

Today we can easily see what that verse means. I was in Israel about 10 years ago when I used my check card at an ATM in the Old City of Jerusalem. I quickly calculated in my head that I could probably withdraw about 1200 shekels (\$300) from my checking account and requested that amount from the machine. The transaction was immediately declined, literally in a split second. In fact, it declined it so fast I thought there must be something wrong with my card. So I tried again, only to be declined again.

NEW! Lower Prices for Compass DVD Bible Studies

~~\$19.95~~ Now **\$9.95 each!**

Sometimes in life you have to rethink your priorities based on the bottom line. The bottom line mission of our ministry is to defend the accuracy of the Bible. And our biggest asset the Lord has given us is our collection of awesome Bible studies recorded through the years at our *Steeling the Mind Bible* conferences. Hundreds of studies relevant and applicable today that need to be circulated far and wide.

Our original method of pricing has been in place since we began in 1993. The idea was that the more you purchased, the more the price came down. But with the far-reaching access of the Internet, more people are coming in electronic contact with Compass and viewing our Bible studies. They were looking but not too many buying considering the number of lookers. Our conclusion was that we needed to change our price emphasis from purchasing more, to making the initial purchase within reach, so more people would make that first purchase. Once they see the quality, we believe they will come back for more.

So after almost 18 years of ministry, we've changed our prices for DVDs and CDs. Our DVDs are now \$9.95, 50% lower than the

Ready for the "Mark?,"

cont. from page 1

But then thinking I may have requested too many shekels for the amount of dollars in my account, I reduced the number of shekels requested to 800 and tried again. Bingo! Out came the cash in a nano second. Here I was half way around the world and was being controlled by a computer. And that was over 10 years ago!!

Now this will give you goose bumps. In May of 2010, the United States Air Force launched a new generation network of 12 GPS satellites with enhanced capabilities.* These new satellites orbit the earth 14 times a day and offer ultra precise, near instantaneous, and continuous information for anything they track. Among the suggested uses are:

New USAF Spy Satellite

- Tracking children
- Monitoring the elderly
- Emergency assistance
- Finding lost pets
- Finding family or friends in a crowd

When you combine the above technology with the already in use micro-chip implants, you have another Bible prophecy fulfilled. Just amazing. If the Rapture happens soon, the "mark of the beast" is ready to be instituted! Work that bit of information into your next conversation with a non-believer. Then give them a copy of *The Bible's Big Picture*, our DVD presentation of "the whole Bible in 30 minutes." They might have more questions for you later!

Terms & Conditions

Biblelands Cruise
November 10-22, 2010
with Post-Trip Extension to Corinth

The *Compass Biblelands 2010* (hereinafter "*Compass*") is developed and organized by Compass International, Inc. (a non-profit ministry).

You need to fill out the registration form and return it as soon as possible. Please note that this is a private trip and participants must be approved. Payment due dates and cancellation fees are structured to match those incurred by the trip. Please read the following *Terms and Conditions* in their entirety—it's important to know all the details, payment dates and coverage. The accompanying brochure covers the price of the trip, dates, the origin and destination cities, accommodations, and currently planned itinerary. The *Terms and Conditions* govern how this trip is handled.

By signing the registration sheet you acknowledge receiving and agreeing to the *Terms and Conditions* set forth below covering *Biblelands Cruise 2010* and any post-trip options. The Conditions of Carriage of the Cruise Carrier are expressly incorporated into this contract.

Smoking

The *Biblelands Cruise 2010* is a smoke-free trip for all passengers in the common areas of the hotels, site visits and inside the ship. This includes halls, dining rooms, lounges, game rooms, and meeting rooms. Smoking outside the hotels and on cruise decks is permissible. Smoking in the hotel rooms and cabins is permitted only if all occupants give approval.

Participation

Participation in this trip is limited to persons whose payment and contract have been received by *Compass*. Name changes are not allowed unless previously approved by *Compass*. Circumstances prohibit transfer of participation to passengers other than those to whom the tickets were originally issued.

Proper Documentation

All members of this trip must carry passports valid for at least six months beyond the scheduled date of return to the United States. **This means your passport must be valid through May 20, 2011**, or longer if you choose to extend your trip beyond the cruise extension option. Also, document requirements may vary depending on your citizenship. Non-U.S. passport holders may be required to obtain other visas for certain countries or ports of call and are personally responsible for securing such permits/visas. Passengers denied boarding of planes and/or cruise ship due to missing or improper documentation will not be the responsibility of *Compass*. *Compass* will process and obtain group visas for those visiting Egypt & Turkey. No visa is required for Greece or Israel for U.S. citizens.

Air and Cruise Tickets

All trip air, and ship tickets are valid only for the dates booked and indicated on documents. Tickets will be sent to you approximately 10 days prior to your scheduled departure and after full payment has been received by *Compass*. Tickets for bookings made within 14 days of departure (if available) may be picked up from our representative at the designated airport on the day of departure. Re-issuance of air tickets that are lost or stolen prior to departure, or required to be reissued for any other reasons, may be subject to charges or fees by the air carriers and/or other vendors, and may be substantial.

Limitations

Compass reserves the right to decline, reject, or retain any member as a participant in this trip at any time for any reason. The air carrier(s), cruise line, group operators and *Compass* reserve right to substitute equipment and properties to add or delete en route stops at our discretion with or without notice. The hotels, ground operators, cruise lines and other vendors used by *Compass* reserve the right, in special circumstances, to substitute accommodations/transportation of similar or better quality without penalty.

Baggage

Compass cannot be held responsible for delay, loss, or damage to baggage. Travelers are encouraged to check their Travel Tips booklet to find ways to reduce the likelihood or minimize the problem of having lost or delayed luggage.

Baggage restrictions apply to this trip. You are allowed to check one piece of luggage, maximum 50 lbs, one "carry-on" bag and one purse per person. Your "carry-on" must be one piece of luggage (or handicap devices) not to exceed 24X10X16, which will fit under your seat.

Deposits and Reservations

A total deposit of \$500 + insurance per person is due with this signed registration to confirm your trip. 1/2 balance is due August 15, 2010 and the remaining balance is due September 15, 2010. Payment is due in full if registering after September 15. Your booking may be canceled if not fully paid by the due date. Please make all checks payable to *Compass*.

Cancellation and Refunds

In the event that you must cancel your reservation (assuming no insurance or a non-covered reason), or payments are not received by specified deadlines, refunds are made in accordance with the following schedule:

Per person cancellation fee, if notice is received:

- * 140 days or more prior to your departure date: Cancellation fee is \$500 per person plus any domestic air and insurance or add-on travel you have purchased.
- * 139-90 days prior to your departure date: Cancellation fee is \$1,000 per person plus any domestic air and insurance or add-on travel you have purchased.
- * 89-0 days prior to your departure date: Cancellation fee is 100% of package price or deposit (the insurance allows cancellation for covered reasons).

Refunds and Problems

- (a) Unused Trips: No refund will be made for any transportation, accommodations or services included in the trip price which you, by your choice, do not use.
- (b) Connecting Flights: Passengers booking their own domestic flights are advised to allow ample time (minimum 3 hours) between connecting flights from your hometown and the international flights included in the package. We recommend you use the *Compass* appointed travel agent to book your domestic flights for you. We regret we cannot be held responsible for missed connections due to weather or mechanical problems. We strongly recommend you purchase trip insurance.

Fuel Charges

With the price of fuel moving up and down like a yoyo, the airlines and cruise operator have given us a price of fuel "not to exceed." If at the time of sailing, fuel does exceed the contractual amount, a surcharge will be added. The cost will be pro-rated among all passengers not to exceed \$25 per passenger. (This has happened only once in our last eight cruises.)

Responsibility

Compass has the responsibility of booking with airlines, hotels, condominiums, ground operators, guides, and cruise lines to provide you with these services. The carriers, hotels, cruise lines, and other suppliers providing services are independent contractors and are not agents, employees, or servants of, or joint venturers with, *Compass* or its affiliates. All certificates and other travel documents for services issued by *Compass* are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold *Compass International Inc.*, its employees, or trip leaders liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional

expense, or any other kind of damage. *Compass* is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God"), or other circumstances beyond its control. (Insurance is included that covers most of these plus other coverages.) If a travel ban is imposed by the United States on any country we are scheduled to visit, another route or port may be substituted.

In the past we have always traveled to Israel under State Department "travel warnings" without incident and expect to do so in the future. In the event of delay, the airline or cruise line, and not *Compass*, determines delay procedures and the amenities/compensation, if any, to be offered.

Optional Trip Activities

Excursion Activities Trip participants may choose to engage in various activities including, but not limited to, swimming, jogging, water sports, horseback or camel riding, car rental traveling, ship-board activities and other "activities"; participants are hereby notified that these activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. *Compass* shall not be liable for any injuries sustained by trip participants, which are a result of participant's engaging in such activities.

Travelers Who Need Special Assistance

Compass must be advised of a participant's special requirements at the time of booking and we will make every effort to accommodate special requests, but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested. Note: It is possible that *Compass* or its suppliers may have to deny boarding if prior notification of special need is not given. We regret that, due to the nature of the planned itinerary, we cannot guarantee full participation to a member whose physical needs cannot be met. However, the average age of past trips is 55 and roughly 98% enjoy full participation at each site.

Major Changes

"Major changes" constitute only changes in the trip's departure city and/or departure dates by more than 72 hours, hotel substitutions of lower quality; or a price increase exceeding 10 percent of the trip price occurring 21 or more days before departure; whereby *Compass* shall notify participant(s) within 14 days after first knowing of such change, but in any event at least 21 days before scheduled departure. If *Compass* first learns of a major change less than 21 days before scheduled departure, *Compass'* liability is limited to a full refund excluding insurance paid.

Compass has contracted with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (*i.e.* unexpected maintenance problems, guest stay-overs, and overbooking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event of your hotel standard being substantially downgraded, a refund reflecting the difference in price will be issued. The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.

Brochure Validity

This brochure and Terms & Conditions cancels and supersedes any previous publications or advertisements to this same trip and cruise. The most current brochure or terms and conditions may be viewed and/or download at www.compass.org.

Trip Insurance

We highly recommend that you purchase trip protection. The coverage includes sickness, death or accident of immediate family or travelling companion, trip interruption, and lost baggage. It covers pre-existing conditions if you purchase it when you first sign up for the trip. You will receive a complete policy in the mail after you register.

Help Compass get the word out! *(and save money too!)*

We want you to give away great *Steeling the Mind* DVDs each month. Just pass them out to friends, family, co-workers and even strangers (after you view them!). What fun!

Here's how the *Compass Pointe* program works: Each month, we'll send you two DVDs to give away. One is *The Bible's Big Picture*, a remarkable DVD that covers the entire Bible in 30 minutes—Adam to the New Heaven and Earth. In this day of instant grits and "give it to me NOW," the concept of a DVD with the "whole Bible in 30 minutes" is appealing to almost everyone!

The second DVD we'll send you each month rotates among our awesome arsenal of past *Steeling* DVDs, like *Big Bang & the Bible*, or Frank Peretti's *The Chair*. It's always something fun, interesting, and scripturally defends the accuracy of the Bible. **All you do is, after viewing, ask the Lord to open a door of opportunity and pass them out or share them with your church or Bible study groups.** (Col 4:3).

We'll also send *The Bible's Big Picture*, to anyone you wish—up to 10 a month, just give us mailing addresses—we pay the postage! Plus, as a *Compass Pointe*, if you wish to purchase any of our other 200+ incredible *Steeling the Mind* titles, you pay only half price—\$5 each for DVDs. There are also *Pointe* discounts for *Steeling* tickets and Israel trips.

The idea is that, each month, we want to make it easy for you to, "do the work of an evangelist!" (2Tim 4:5). And your commitment

Pointe
