TERMS AND CONDITIONS

Compass Grand Canyon Tour and Raft Trip

The Compass Grand Canyon Tour and Raft Trip (hereinafter “Compass”) is developed and organized by Compass International, Inc., a non-profit, non-denominational ministry.

This is a private trip and participants must be approved by Compass. Compass reserves the right to decline, reject, or retain any member as a participant in this trip at anytime, for any reason.

Payment due dates and cancellation fees are structured to match those incurred by the trip. Please read the following Terms and Conditions in their entirety for important details, payment dates and coverage.

By registering for this Compass trip you acknowledge receiving and agreeing to the Terms and Conditions set forth below, which also apply to any pre- or post-trip options. Any Grand Canyon Park or Raft Trip rules and conditions are expressly included in these terms.

Smoking

This Compass trip is a smoke-free trip for all passengers in the group meeting areas during the tours, on the buses, hotels, restaurants and site visits. Smoking outside in designated areas is permissible when appropriate.

Name Changes and Documentation

Participation in this trip is limited to persons whose registration and payment have been received by Compass. Name changes are allowed if given to Compass up to seven days prior to trip arrival by Compass.

Arrival and Departure from Phoenix

Participants are expected to arrive at the designated hotel in Phoenix on Thursday evening. If you are flying in, no rental car is necessary, just take the hotel shuttle. Plan to be ready for departure from the hotel the next day, Friday—we usually depart by bus around 7AM sharp. You will be given instructions where and what time to meet prior to arrival.

If you need help booking flights to Phoenix, we recommend using our designated Compass travel agent, **Sabrina Freeland, 919-334-8168**. She charges a small fee to research and book your flights. She also is on standby while you're flying to help if you encounter any problems.

If you are driving from or through Flagstaff, AZ, you can arrange to overnight in Flagstaff instead of Phoenix and be picked up Friday morning. However, please note that there are excellent lectures on the bus from Phoenix and the hotel rooms in Flagstaff are usually about 30-40% more expensive, which you are obligated to pay.

We will return to the hotel in Phoenix on Saturday night (or drop off in Flagstaff). There is a hotel shuttle to and from the Phoenix airport.

Limitations

Compass reserves the right to substitute hotels and properties or to add or delete en-route stops at their discretion with or without notice. The hotels, ground operators, raft companies, Grand Canyon National Park and other vendors used by Compass reserve the right, in special circumstances, to substitute accommodations and/or transportation of similar or better quality without penalty. (FYI—thankfully this has never happened!)

Deposits, Reservations, Cancellations

Your reservation will be confirmed when Compass receives the signed registration form and a total deposit of \$100 per person. You will be sent a confirmation, deposit/payments made and trip balance which is due May 1, 2023.

Your booking may be canceled if not fully paid by the May 1 due date. Please make all checks payable to Compass, or call to pay by credit/debit card. Deposits are non-refundable after April 1st. Final payments are non-refundable after May 1, 2023. We strongly recommend purchasing trip insurance so that if something comes up at the last minute, you can get all your paid expenses refunded.

In the event that you must cancel your reservation or payments are not received by specified payment deadlines, any refunds due will be sent within 30 days.

Unused Trips

No refund will be made for any transportation, accommodations or services included in the trip price, or booked separately, which you, by your choice, do not use. We regret we cannot be held responsible for complications from missed connections due to weather or mechanical problems. Again, we strongly recommend you purchase trip insurance. Ask for a trip insurance quote.

Additional Charges

We, as a non-profit ministry, price these trips as low as possible. In the unlikely event we have a trip cost increase that we can't handle, we will bill you your pro-rated amount. There will be no penalty if you don't pay the additional amount—but we'll be praying you will!

Responsibility

Compass has the responsibility of booking hotels, ground operators, guides, restaurants and raft companies to provide you the best learning experience. These suppliers are independent contractors and are not agents, employees, or servants of, or joint venturers with, Compass or its affiliates.

All certificates and other travel documents for services issued by Compass are subject to the terms and conditions specified by the supplier and to the laws of the state in which the services are supplied. Each participant agrees not to hold Compass International Inc., its employees, or trip leaders, liable for any loss, act or omission, whether negligent or otherwise, of any person or firm which provides goods or services for the trip. Compass shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage.

Compass is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, contraction of disease, acts of nature (secularly known as “Acts of God”), or other circumstances beyond its control. (Trip insurance is recommended that covers most of these, plus other coverages.) If a travel ban is imposed by the United States or Arizona, the trip may be rescheduled, or optionally, you may cancel your registration and trip costs will be refunded if and when Compass receives back its payments to suppliers.

Fit To Travel Statement

Participants registering for this trip accept the responsibility for being in good health and able to walk on both flat and uneven ground on this tour. Those needing oxygen or who have difficulty walking or climbing stairs may be asked to remain on the bus in certain tour situations in order to not slow down the entire group. But if you can walk, even with a walker, you should be fine. Unfortunately, people in wheelchairs cannot be accommodated. If you have questions, please contact Compass.

Optional Trip Activities

Trip participants may choose to engage in various activities including, but not limited to, swimming, jogging, water sports, and other “activities;” participants are hereby notified that these activities may be dangerous and may result in a serious injury. Participation in these activities shall be at the participant's own risk. Compass shall not be liable for any injuries sustained by trip participants which are a result of participants engaging in such activities.

Travelers Who Need Special Assistance or Need Special Diets.

Compass must be advised of participant's special requirements at the time of booking. We will try to accommodate diet requests but may or may not be able to make it happen. We cannot confirm a reservation with special requests until all travel suppliers have acknowledged that they can provide the services requested.

Note: It is possible that Compass or its suppliers may have to deny participation in some tours if prior notification of special need or diet is not given. We regret that due to the nature of the planned itinerary we cannot guarantee full participation to a member whose physical needs cannot be met. However, the average age of participants on past trips is 60 years and roughly 98% enjoy full participation at each site.

Compass has contracted with certain hotels to supply accommodation. Rarely, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stay-overs, and overbooking by the hotel) and a substitute hotel of equal or greater quality is provided.

Worst Case—Solving A Problem

The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.

Brochure Validity

The Terms & Conditions cancels and supersedes any previous publications or advertisements for this same trip. The most current brochure or terms and conditions may be viewed and/or downloaded at www.compass.org.

Trip Insurance

We highly recommend that you purchase trip protection. Coverage can include sickness, death or accident of immediate family or traveling companion, trip interruption, and lost baggage.

It covers pre-existing conditions if you purchase it when you first sign up for the trip. Check “Trip Insurance” on your registration form for a quote.
