

Grand Canyon & Grand Staircase Tour

May 2026

*Learn how Grand Canyon
proves evolution is a lie*

*Learn how to scientifically defend
Noah's global flood 4,500 years ago*

Join us for an awesome Bible tour of three spectacular parks: Grand Canyon, Bryce and Zion + the Grand Staircase!

The Grand Canyon is America's most recognized landmark. But most people don't know it was carved out over just a few days, not millions of years!

And when you finish these three full teaching days you'll be able to scripturally and scientifically defend the Bible's account of Noah's Flood and the 6-Day Creation.

Learn the Facts!

You'll learn great truths from your host and teacher, Creationist Russ Miller at the Grand Canyon, Bryce Canyon, and Zion Canyon—the mind-blowing Grand

Staircase which is a dagger in the heart of evolutionary teaching!

You'll arrive on Wednesday for an overnight in Las Vegas and end your trip back in Las Vegas to spend Saturday night so you can travel home on Sunday—a great long-weekend trip.

The tour package includes four hotel nights, three lunches, four breakfasts and two dinners—including dinner at the

famous Ebenezer's Barn and Grill Cowboy Show—plus an ATV off-road tour and the Skywalk glass bridge!

Join us for this amazing Bible-centered weekend of knock-your-socks-off scenery, incredible teaching and lots of fun.

TERMS AND CONDITIONS

Compass Grand Canyon and Grand Staircase Tour

The **Compass Grand Canyon and Grand Staircase** (hereinafter "Compass") is developed and organized by Compass International, Inc., a non-profit, non-denominational ministry.

This is a private trip and participants must be approved by Compass. Compass reserves the right to decline, reject, or retain any member as a participant in this trip at anytime, for any reason.

Payment due dates and cancellation fees are structured to match those incurred by the trip. Please read the following Terms and Conditions in their entirety for important details, payment dates and coverage.

By registering for this Compass trip you acknowledge receiving and agreeing to the Terms and Conditions set forth below, which also apply to any pre- or post-trip options. Any park rules and conditions are expressly included in these terms.

Smoking

This Compass trip is a smoke-free trip for all passengers in the group meeting areas during the tours, on the buses, hotels, restaurants and site visits. Smoking outside in designated areas is permissible when appropriate.

Name Changes and Documentation

Participation in this trip is limited to persons whose registration and payment have been received by Compass. Name changes are allowed if given to Compass up to seven days prior to trip arrival by Compass.

Arrival and Departure from Las Vegas

Participants are expected to arrive at the designated hotel in Las Vegas on Wednesday evening. If you are flying in, no rental car is necessary, just take the hotel shuttle. Plan to be ready for departure from the hotel the next day, Thursday—we usually depart by bus around 7AM sharp. You will be given instructions where and what time to meet prior to arrival.

If you need help booking flights to Las Vegas, we recommend using our designated Compass travel agent, Sabrina Freeland, 919-334-8168. She charges a small fee to research and book your flights. She also is on standby while you're flying to help if you encounter any problems.

Limitations

Compass reserves the right to substitute hotels and properties or to add or delete en-route stops at their discretion with or without notice. The hotels, ground operators, Grand Canyon National Park and other vendors used by Compass reserve the right, in special circumstances, to substitute accommodations and/or transportation of similar or better quality without penalty. (FYI—thankfully this has never happened!)

Deposits, Reservations, Cancellations

Your reservation will be confirmed when Compass receives the signed registration form and a total deposit of \$300 per person. You will be sent a confirmation through email, deposit/payments made and trip balance which is due April 1, 2026.

Your booking may be canceled if not fully paid by the April 1st due date. Please make all checks payable to Compass, or call to pay by credit/debit card. Deposits are non-refundable after March 4th, 2026. Final payments are non-fundable after April 1st, 2026. We strongly recommend purchasing trip insurance so that if something comes up at the last minute, you can get all your paid expenses refunded.

In the event that you must cancel your reservation or payments are not received by specified payment deadlines, any eligible refunds will be sent within 30 days.

Unused Trips

No refund will be made for any transportation, accommodations or services included in the trip price, or booked separately, which you, by your choice, do not use. We regret we cannot be held responsible for complications from missed connections due to weather or mechanical problems. Again, we strongly recommend you purchase trip insurance. Ask for a trip insurance quote.

Additional Charges

We, as a non-profit ministry, price these trips as low as possible. If in the unlikely event we have a trip cost increase that we can't handle, we will bill you your pro-rated amount. There will be no penalty if you don't pay the additional amount—but we'll be praying you will!

Responsibility

Compass has the responsibility of booking hotels, ground operators, guides and restaurants to provide you the best learning experience. These suppliers are independent contractors and are not agents, employees, or servants of, or joint venturers with, Compass or its affiliates.

All certificates and other travel documents for services issued by Compass are subject to the terms and conditions specified by the supplier and to the laws of the state in which the services are supplied. Each participant agrees not to hold Compass International Inc., its employees, or trip leaders, liable for any loss, act or omission, whether negligent or otherwise, of any person or firm which provides goods or services for the trip. Compass shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage.

Compass is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, contraction of disease, acts of nature (secularly known as "Acts of God"), or other circumstances beyond its control. (Trip insurance is recommended that covers most of these, plus other coverages.) If a travel ban is imposed by the United States or states involved, the trip may be rescheduled, or optionally, you may cancel your registration and trip costs will be refunded if and when Compass receives back its payments to suppliers.

Fit To Travel Statement

Participants registering for this trip accept the responsibility for being in good health and able to walk on both flat and uneven ground on this tour. Those needing oxygen or who have difficulty walking or climbing stairs may be asked to remain on the bus in certain tour situations in order to not slow down the entire group. Unfortunately, people in wheelchairs or who use walkers cannot be accommodated. If you have questions, please contact Compass.

Optional Trip Activities

Trip participants may choose to engage in various activities including, but not limited to, swimming, jogging, water sports, ATV rides, and and other "activities;" participants are hereby notified that these activities may be dangerous and may result in a serious injury. Participation in these activities shall be at the participant's own risk. Compass shall not be liable for any injuries sustained by trip participants which are a result of participants engaging in such activities.

Travelers Who Need Special Assistance or Need Special Diets.

Compass must be advised of participant's special requirements at the time of booking. We will try to accommodate diet requests but may or may not be able to make it happen. We cannot confirm a reservation with special requests until all travel suppliers have acknowledged that they can provide the services requested.

Note: It is possible that Compass or its suppliers may have to deny participation in some tours if prior notification of special need or diet is not given. We regret that due to the nature of the planned itinerary we cannot guarantee full participation to a member whose physical needs cannot be met. However, the average age of participants on past trips is 60 years and roughly 98% enjoy full participation at each site.

Compass has contracted with certain hotels to supply accommodation. Rarely, the accommodation reserved is not available for a variety of reasons (i.e., unexpected maintenance problems, guest stay-overs, and overbooking by the hotel) and a substitute hotel of equal or greater quality is provided.

Worst Case—Solving A Problem

The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recalculate pertinent legal fees and costs from the other party.

Brochure Validity

The Terms & Conditions cancels and supersedes any previous publications or advertisements for this same trip. The most current brochure or terms and conditions may be viewed and/or downloaded at www.compass.org.

Trip Insurance

We highly recommend that you purchase trip protection. Coverage can include sickness, death or accident of immediate family or traveling companion, trip interruption, and lost baggage.

It covers pre-existing conditions if you purchase it when you first sign up for the trip. Please call or email for a quote.
